

## HP ECLIPSE SHOPLIGHT SERIES WITH SENSOR

The High Performance (HP) Eclipse Shoplight sets the benchmark in energy-efficiency and offers a range of cut-out sizes and wattages, ideal for installation in commercial settings .

With convenient switchable tri-colour temperature technology, the HP Eclipse Shoplight gives you the flexibility to match existing lighting colours and provide your customers with additional options.

The built in dual motion & lux sensor is easily controlled by the Emerald Universal Remote Control (sold separately). The handheld remote switches the sensor on & off and adjusts hold time, stand by periods and stand by dimming levels.
